Its important you find someone whose work you LOVE - But we believe its just as important you find someone who will bring out the best of who you are in your photos! Afterall - Your wedding day is meant to be an amazing celebration - You probably want a photographer who is fun to be around! We're lovers of adventure, dreamers, artists, and slightly addicted to ice cream. Give us a good photo spot and we can get lost for hours. We hope this guide gives you an idea of our style, and who we are!

Its great to meet you! Well... Kind of meet you. Hopefully we can meet face to face sometime soon! We're so thrilled you're considering us for such an incredible day! The truth is your wedding is a once in a lifetime occasion - The two of you are about to start the most challenging, rewarding, exciting, life-changing experience of your lives together - And choosing someone to capture that day through photography is a big decision.

# FAQ

## I'M READY TO BOOK! WHAT NEXT?!

Wonderful! To secure your date, you can either schedule an appointment to meet us and discuss your plans in person or simply make a bank transfer of 20% of your chosen package price as a deposit. This ensures your date is reserved exclusively for you. Feel free to reach out, and we'll guide you through the next steps!

## CAN I CUSTOMIZE MY PACKAGE?

Absolutely! I'd love to create a package that perfectly suits your needs. Simply share your requirements, and we'll work together to tailor a package that captures everything you envision for your special day.

## HOW LONG DOES IT TAKE TO EDIT THE PICTURES?

Editing your wedding photos is a thoughtful process where I perfect the colors, lighting, and details to tell your story beautifully. It typically takes 4–6 weeks to deliver the full collection, ensuring each image is of the highest quality. To keep the excitement alive, I'll share a sneak peek of a few photos within a week of your big day!

## WHEN SHOULD I MAKE THE FINAL PAYMENT?

The final payment is due one month before your event date. This ensures everything is finalized and allows us to focus entirely on capturing your special day without any distractions.

## DO YOU OFFER VIDEOGRAPHY?

While we don't offer videography services ourselves, we'd be happy to recommend some professional videographers who share our passion for capturing unforgettable moments. Let us know, and we'll connect you with trusted experts!

**Please note that a limited number of shoots are published on the social depend on our choice.
